

MANAGED PROGRAM

VELOCITY PROSM

PROGRAM OVERVIEW

Our VelocityProSM managed program uses an assertive trading style in dynamic market movements to capitalize on short term market fluctuations. This program is designed for the producer who is willing to accept the highest amount of risk in exchange for the highest return potential, and complements the downside protection of a robust crop insurance policy and the Freedom[®] TraderSM Suite of programs.

OTHER PROGRAM INFORMATION

- Customer will receive futures hedge only; customer is responsible to set basis.
- Basis may be attached at any time during the pricing period. Standard HTA policies and fees may apply.
- All bushels are guaranteed to price.
- This program works well for the producer who understands risk/reward and has a tolerance for some risk in their grain marketing plan. We recommend enrolling a maximum of 5-10% of production.

*A performance adjustment will be made if the final price is in the top 25% of the pricing window.

**All futures positions and program costs are in USD and will be converted to CAD at the time of contract pricing.

Sellers are advised to use discretion in making cash grain marketing and pricing decisions. The Andersons is a buyer of cash grain forward contracts which utilize Freedom Pricing Tools.
